

Cedar Park Renovation Project FAQ SHEET

Location: 3737 NE 135th Street, Seattle WA 98125 – Northeast District

Frequently Asked Questions (FAQ)

Who is the land owner?

Seattle School District. Cedar Park is on land leased by Parks from the Seattle School District (SSD).

What is the scope of the project?

The project will retrofit the existing play feature and provide ADA improvements around the park. Goal is to provide better site circulation and establish a joint-use playground/park feature with Cedar Park Elementary.

Will there be a fence put around the park?

Yes. The Seattle School District will install a 4ft black vinyl fence around the entire park with entry gates at the northwest and south west corners of the park (maintenance access gate will be located inside the parking lot).

What is the timeline for this phase of the project?

After completing the public process in May 2014, Parks will complete all design development and construction drawings by November 2014. Permitting and Bidding will occur during 1st quarter of 2015 and construction will begin shortly after.

When is the SPS construction of Cedar Park Elementary scheduled to be commence?

The Construction is scheduled to begin in June 2014.

When is the SPS construction of Cedar Park Elementary scheduled to be complete?

The construction is scheduled to be completed by July 2015

When is Parks construction scheduled to commence?

Parks construction is scheduled to begin around March 2015.

When is Parks construction scheduled to be completed?

Construction is scheduled to complete around June 2015.

Will the Seattle School District Contractor use the Park as a staging area during construction?

No.

Will the park be open to the public during school construction?

Yes. We anticipate minimal impact to park access during school construction. At times there could be restricted access due to work on the right-of-way located off 135th St NE and 37th Ave NE.

Cedar Park Renovation Project FAQ SHEET

Location: 3737 NE 135th Street, Seattle WA 98125 – Northeast District

What are the Right-of-Way Improvements?

The Right-of-Way (ROW) Improvements will add sidewalks along NE 135th St and 37th Ave NE.

Will the Park be available for public use during school hours?

Yes. Parks is working with Seattle School District (SSD) to define joint use of playground and the hours of operations for school recess and extended play. Parks and SSD will work to develop appropriate signage for public display informing of general public access.

Will there be the addition of parking?

No. The parking lot in Cedar Park will still offer eight (8) total parking spaces, which includes one (1) ADA Space. Additional parking will be available along NE 135th St and 37th Ave NE.

Will the footprint and character of the park change?

The footprint of the park will change around the play area to address fall zone deficiencies and to remain in compliance with American Society of Testing and Materials (ASTM) and Consumer Product Safety Commission (CPSC). The character of the park will be maintained.

What will happen with the rocks located around the perimeter of the park once the fence is installed?

Parks Ground Maintenance staff will repurpose the rocks within Cedar Park or at other local Parks within the North east District.

Will the plaza area remain at the Park?

Yes. The Plaza will remain and will not be impacted by construction plans.
